High School Summer 2022 Program

THE UNIVERSITY OF ARIZONA
COLLEGE OF AGRICULTURE & LIFE SCIENCES
**Animal & Comparative
Biomedical Sciences**
Food Safety

SaferFoodCats is a week-long experience of a lifetime to introduce you to the science of what keeps our food safe. You will learn about techniques used in real-world food safety laboratories at the University of Arizona. SaferFoodCats 2022 will run from June 6-11, 2022, with students on campus performing hands-on activities and touring labs.

The SaferFoodCats program welcomes applications from all students.

As a participant in the SaferFoodCats summer program, you will be:

- » Introduced to campus and Wildcat heritage
- » Engaging in hands-on STEM activities
- » On campus touring Food Safety research labs
- » Listening to Food Safety Researchers & Professionals
